WORK RELATED COURSES

The school, in collaboration with other schools in the Waverley Federation and Godalming College is able to offer a range of work-related courses for selected students who would particularly benefit from pursuing more practical interests as part of their studies.

The courses require the student to:

- Attend the course at a school or college location for one day a week over 2 years.
- Travel independently to and from the location.
- Be confident enough to fit into the different environment.
- Keep up to date with normal school work.
- Apply and be interviewed before acceptance onto these courses.

The courses lead to qualifications at the following levels:

- Level 1 – equivalent of a GCSE grade D - G.
- Level 2 – equivalent of four GCSE grades A* - C
- Entry Level 4 - equivalent of a GCSE grade E - G

REMEMBER, these courses are selected at the expense of one of your chosen option subjects.
