## Year 10 MATHS Revision - Hegarty Log - Higher Tier

As revision for your year 10 exams we would like you to select your own Hegarty tasks from those listed below. The list covers all Hegarty clips linked with what we have covered so far this year (plus assuming some prior knowledge)

For homework over the next 3 weeks you are expected to complete a minimum of 3 tasks per week from the list below, plus the Memri task.

If you prefer, you have the option to refresh lots of different tasks. If this is the case please write your score out of the number of questions answered rather than the percentage gained.

Every week complete a page in this booklet as follows:

- write in the Hegarty task number (also called 'clip number'),
- write in the task title,
- put your score in the appropriate column:

R: 0 to 70\%
A: 70 to $95 \%$
G: 95 to 100\%

- write in your Memri score.

Week 1 (completed by end of $18^{\text {th }}$ April)

## Self-reflection:

Give details of any topics which you struggled with or further topics revised.

Week 2 (completed by end of $\mathbf{2 5}^{\text {th }}$ April)
