

BS BROADWATER SCHOOL

BY INCREMENTS CONQUER

Challenge Hour 2024/25

Work Hard; Be Kind; Make A Difference

Character Education

“Character is Important- a CV may get you the interview, but Character will get you the job”

Tim Peak

British Astronaut

Character education at Broadwater is built into our daily school routines and culture. The Broadwater principles of Work Hard; Be Kind; Make A Difference are central to the culture of the school. We want every student to make outstanding academic progress, but also provide students with the opportunity to be enthusiastic about improving themselves so they leave Broadwater ready to make a positive contribution to society and thrive in their adult lives.

Students who actively participate and contribute to the school community will leave school with life skills and traits required to succeed in the modern world.

Your student Character log is where you record the certificates and badges you have achieved through taking part in Challenge Hour and other school activities. Once a student has demonstrated a Broadwater Principle, they can get the achievement signed off by the supervising teacher. Their Tutor will record the date it was achieved in the student’s Character Log Book and the student will be presented with all the certificates they have achieved at the end of that term. Once a student has achieved Bronze level, they get a certificate, a Silver will be a silver badge for the Principle to wear on their uniform. A Gold level for any principle is something very special and will mean the student receives a gold Principle Badge for Work Hard; Be Kind; Make A Difference that they can wear on their uniform with pride.

Whatever the students choose to do in their Challenge hour I hope they work hard, be kind and make a difference, achieving as much outside the classroom as they do inside.

Mr Cook

The Clubs

Staff	Activity	Description
ABY	5K club	Running club which will aim to improve fitness and run 5k.
RMU	Art catch up	For art students to catch up on coursework
WGR	Athletics	Athletics training and fitness
