

Dear Parents and Guardians,

We are excited to share with you some upcoming Careers events, both in school and externally ...

## **Year 11 Mock Interviews – Friday 22<sup>nd</sup> November 2024**

Year 11 students have been working hard preparing CVs and cover letters for our upcoming 'Mock Interviews'. On the morning of 22<sup>nd</sup> November, we will be joined by 30 managers from local businesses. These managers represent small/medium/large companies - everything from music businesses to large retailers to telemarketing firms, IT companies, accountants and more. Students will have a 30-minute slot on a one-to-one basis with one of our volunteer interviewers. There will be an assembly for the students to explain what to expect and how to prepare on the morning of 24<sup>th</sup> October 2024. More information will be sent home to Year 11 parents on this.

## **Pathway CTM Health Care Events**

NHSE South East are working with Pathway CTM for profession focused events later this month and in November.

# King's College London Medicine and Dentistry Lecture Series 2025 (for students who meet eligibility criteria – see below)

This programme is for students **across the UK** in **Year 11, 12, and 13** interested in becoming a **doctor** or **dentist**.

Over the course of the programme students will hear from a wide variety of speakers to help build their understanding of the **opportunities** and **challenges** of being a doctor and dentist, as well as guidance on the application process. Last year's lectures included the following:

- Medical and dental specialties: cardiology, oral surgery, renal transplant, and many more!
- Q&A's each week with current medical and dental students.
- Support with the application process: UCAT, personal statements, and interviews.
- Q&A with admissions colleagues in the school of medicine at KCL, UCL, St George's, Queen Mary, Brunel, and Imperial.

Most importantly participants will become **part of a community of like-minded students** all interested in applying to medicine and dentistry and finding out what being a doctor and dentist really entails!

Lectures will be held on Tuesday evenings between 6:00 – 7:30pm. Our first lecture will be on Tuesday 4th February.

For more information and to apply, [students should follow this link](#). The deadline is **Friday 10th January**.

## What to Expect from the Programme

Over the course of the lecture series, you will hear from a **variety of guest speakers** from different specialties in medicine and dentistry. You will also learn about the **application process** with sessions on the UCAT, personal statements, and interview.

The lecture series is your **one-stop-shop** on your journey to making a successful application to medicine or dentistry!

The deadline to complete this form is **Friday 10th January at 2:00pm**. You only need to apply to the programme once. If accepted, you will be invited to the **entire programme of lectures**. Our first lecture will take place on **Tuesday 4th February**. Those who come to **50% of our core live lectures** will receive a **certificate of participation**.

## Programme Eligibility

Before starting your application, please ensure that you are **eligible** for the programme.

**Core eligibility criteria:**

- In Year 11, 12, or 13 as of September 2024, or on a gap year prior to applying to university. Alternatively, if you are a mature student you are currently taking an Access to Higher Education course.
- Are currently attending (or most recently studied at) a **state school** (non-fee paying). If this school is non-selective you are **automatically eligible** to take part in the programme. If the school is **selective** you must meet **one other widening participation criteria** (see below).

### **Widening Participation Criteria:**

- First-generation entering higher education (university).
- Currently (or in the last six years) receiving free school meals.
- Are one of our priority groups.
- Are living in a postcode that meets any of the following criteria (ACORN quintile 4-5, IMD quintile 1-2, POLAR4 quintile 1-2, TUNDRA quintile 1-2).
